

FACT SHEET

Trudy U. Dils
ATZT-CP/6-0295
June 2009

SUBJECT: Labor Unions

FACTS:

1. The installation's work force is represented by three labor unions: The American Federation of Government Employees (AFGE), Local 908; the National Association of Government Employees (NAGE), Local R 14-32; and the International Association of Fire Fighters (IAFF), Local F-108.

2. AFGE represents two DA bargaining units containing over 2000 employees. Exclusive recognition was granted in 1970 for Units One and Two.

a. Unit One is non-professional, non-supervisory General Schedule employees, activity-wide excluding Fire Fighters and professional employees.

b. Unit Two is comprised of the professional, non-supervisory employees, post-wide. Included are engineers, doctors, registered nurses and pharmacists.

c. The AFGE Union Office is located at 57 Young Street, telephone (573) 596-0113.

2. NAGE represents employees in the four bargaining units described below.

a. AF Unit -Wage Grade employees' activity-wide. This unit was granted exclusive recognition in 1968.

b. NAF Unit - All NAF employees.

c. Commissary Unit - All Commissary employees.

d. AAFES Unit - All AAFES employees.

e. The NAGE Union Office is located in building 1650, telephone (596) 329-4222.

3. IAFF represents fire fighters and fire inspectors, including crew chiefs. The union was recognized in 1970 and has about 30 employees in the bargaining unit. They are located in building 312, 2nd floor, telephone (573) 596-0883.

4. All bargaining units exclude management officials, supervisors, confidential employees, guards, personnelists, employees in the intelligence career field, employees engaged in

investigation or audit functions, and employees engaged in administering any provision of law relating to labor-management relations.

5. Ft. Leonard Wood has a fairly positive labor relation's climate. All three unions are members of the Labor Management Partnership Council (LMPC) in existence since 1994. The LMPC meets quarterly and is chaired by both management and labor on a rotational basis.
